Dear Friends of Ivy Hill,

Ivy Hill is pleased to invite you to participate in our very first Ivy Hill Cup Polo fundraiser! This is a new venture, partnering Ivy Hill Equestrian Therapeutic Center and the Tincum Park Polo Club, both of whom share a love for horses and are working together in an attempt to raise funds to ensure that Ivy Hill riders can participate in the life changing equine assisted therapies that Ivy Hill provides.

For those new to Ivy Hill, the organization is a community based, locally supported, non-profit, delivering a variety of therapies to populations facing challenges that include but are not limited to cognitive, emotional and mental health barriers as well as addiction and the impact of domestic violence. Ivy Hill uses its facility and all of its resources to support our friends and neighbors in need.

Through the purchase of a ticket, being a sponsor or making a donation, you would directly support these individuals by contributing to the funds required to help Ivy Hill create an opportunity for brighter futures.
