

Our beautiful ponies are the perfect addition to your party!

We use two or three, wonderfully behaved ponies for any occasion at our state of the art equestrian facility for your event .We instantly provide all cleanup after the ponies, leaving you with only wonderful memories.

All of our ponies are super sweet, gentle, & safe.They love their jobs and children young or old! Recommended for ages 1-100! (Yes, we do “grown-up” parties and events too!)

The best part of your party is all proceeds of your pony party are lovingly donated to our equine assisted services helping children and adults in our community.

So come on out, and let the ponies at Ivy Hill Therapeutic Equestrian Center give you the ultimate pony party experience!
